BRUSH COLLECTION

Residents receive once a month brush collection service. Although the schedule for brush is the same as bulk, they cannot be mixed together in a pile. Each is emptied into a different place. After separating the brush from the bulk waste, remember to stack brush near the curb with the butt end of the limbs facing the street. (No longer than 12 foot lengths.)

BULK WASTE COLLECTION

Bulk waste is appliances and all the big items that you can't fit in your trash container. Depending on what the items are, you may have to separate them too. Some things are recyclable like tires and many products made of steel. Other items like old toys, furniture, and small kitchen appliances can be placed in a pile in the front along side the tires (no rims) and metals. No paint or food waste can be in the bulk rubbish.

LEAF COLLECTION

The Spring Loose Leaf Collection begins on March 15th in the red zone. All zones will be collected one time in the spring. The Fall Loose Leaf Collection begins Monday, October 16th in the Red Zone continuing through November and December. The Fall schedule for leaf pickup is the same as brush/bulk collection except for January. In January, the City will do one last leaf collection starting January 2nd. Citizens must have any remaining loose leaves at the curb by January 2nd for the last collection. Place loose leaves in the front yard, not in a ditch or drainage system. This could clog up your storm drain.

RECYCLING LOCATIONS Open Monday – Saturday 7:00 a.m. – 7:00 p.m. Closed on holidays.
