

AT&T Fiber

AT&T FIBER IS COMING.

AT&T will be working in your neighborhood in the coming weeks. Here is what you can expect:

- We may need access to our network located in easements or public rights of way
- We will do our best to minimize disruptions
- We will remedy any disorder to your landscape if necessary

If you have any questions, call us:

Limited availability in select areas. May not be available in your area. Go to att.com/getfiber to see if you qualify.

*Actual customer speeds may vary and are not guaranteed. Download speeds are typically up to 940 Mbps due to overhead capacity reserved to deliver the data. Speeds may also vary based on factors including site traffic, content provider server capacity, internal network management factors, and end user device capabilities.
