

**PUBLIC INFORMATION MEETING
COMMENT FORM**
Carpenters Grade Road Widening and Intersection Improvements
Maryville, Blount County
November 20, 2019

The City of Maryville is proposing to reconstruct the 2-lane Carpenters Grade Road with the addition of turn lanes and a sidewalk between Raulston Road/Peterson Lane to Cochran Road, as well as intersection improvements at the Carpenters Grade Road intersection with Peterson Lane, Cochran Road and Raulston Road. The City of Maryville needs your input on the project being presented this evening. Please take a few moments to answer the questions below and place this form in the box on the sign-in table OR you may return the comment card by mail to the address on the reverse side within **21 days** of this meeting (**December 11, 2019**).

What issues and concerns do you have about the project? (check all that apply)

- Impacts to the environment (streams, wetlands, sensitive species, recreation)
- Impacts to existing development (homes, businesses, community facilities)
- Air and noise impacts
- Traffic volume impacts
- Impacts to historic and/or archaeological resources
- Other(s)—please describe below

What do you like or dislike about the proposed conceptual alignment?

Do you know of any issues within the project area that might affect this project?
