

KNOW YOUR ZONE

Check this calendar for your zone collection schedule. Each zone lasts several working days, but items will only be picked up one time during the zone. **Bulk/junk may only be placed at curb 3 days prior to the beginning of your zone collection date. Be sure to place items at curb before your zone begins.** Failure to do so could result in missed collection. City holidays are bolded in **BLACK**.

December 25, 26	Christmas Holiday	Thursday, December 25 th garbage picked up Friday, Dec. 26 th . Friday, December 26 th garbage picked up Monday, December 29 th

BRUSH COLLECTION

Residents receive once a month brush collection service. Although the schedule for brush is the same as junk, please keep the brush pile separate from the junk pile. Brush is emptied at a different place than junk. After separating the brush from the junk waste, remember to stack brush near the curb with the butt end of the limbs facing the street. (No longer than 12-foot lengths.)

JUNK COLLECTION

Junk is all the big items that you can't fit in your garbage can up to and including appliances and furniture. Items should be separated by the type of item. Please keep recyclable items like cardboard boxes and any products made of steel separate. Other items like furniture and small kitchen appliances can be placed at the curb. No paint or food waste can be mixed in the junk. Please call our sanitation dept. at (865) 273-3302 for tire removal.

LEAF COLLECTION

The Spring Loose Leaf Collection begins on March 17th in the red zone. All zones will be collected one time in the spring. The Fall Loose Leaf Collection begins October 15th in the Red Zone continuing through November and December. The Fall schedule for leaf pickup is the same as brush/junk collection except for January. In January of 2026, the City will do one last leaf collection starting Monday, January 5th, 2026. Citizens must have any remaining loose leaves at the curb by Sunday, January 4th, 2026 for the last collection. Please put loose leaves in the front yard close to the curb, not in a ditch or drainage system. This could clog up your storm drain.

RECYCLING LOCATIONS (Open Monday – Saturday 7:00 a.m. – 7:00 p.m. Closed on holidays.)

Keep Maryville Beautiful!

- 715 Best Street across from Sandy Springs Park
- East Lamar Alexander Parkway across from Blount Memorial Hospital adjacent to Blount County Historical Museum/Thompson Brown House

For more information, check out our City web pages at:
